Hotel description: the long version (1000 characters)

The Steffani is located in the heart of St. Moritz, just a short walk from the lake and the Chantarella funicular. The Steffani is run by Brigitte and Peter Märky, the third generation of the family of owners to run the hotel. With its meticulously furnished rooms and choice antiques, the hotel radiates hospitality and warmth. Guests here will find everything they need for a pleasant stay: 56 perfectly furnished rooms and five suites, an indoor pool and sauna, banqueting halls and function rooms, three restaurants and three bars. The hotel has plenty to offer the palate as well: the Lapin Bleu, which specializes in Italian and Swiss cuisine, and Le Mandarin, which is the only Chinese restaurant in St. Moritz. Then there is the Cresta Bar and Cava Bar – both of them popular haunts for locals and guests looking for a leisurely cocktail or nightcap. And during the winter season, the first-floor Stübli Bar opens its doors to both guests and non-guests alike, and is a great place to linger for a chat with the crazy Cresta riders before having dinner in the Stüva Grill.
